

NEW PRODUCT RELEASE 2006-12

Ntimidator LED COLOR UPGRADES

AVAILABLE: ON THE SHELF

PRODUCT DESCRIPTION

With the New NOS LED color upgrades, you can customize your purge kit with 4 new colors to achieve that custom look you want. Turn your ordinary nitrous kit into a smoke and light show that will Ntimidate everyone while purging unwanted air out of your NOS system. Use these kits on the 16030NOS and 16032NOS purge kits or replace the blue LED on the 16033NOS LED purge kit.

Kit includes LED only to retrofit to your current purge kit or upgrade the blue LED to a different color.

KEY FEATURES AND BENEFITS

- 5 bright LED's light up a 4-ft plume of released nitrous
- Strikes Fear into Nighttime Competitors
- Install Easily w/Common Hand Tools

TARGET MARKETS

- Sport Compact
- Street Performance
- Sport Truck
- Drag Race
